- Ang, Y-S., **Frontero, N.**, Belleau, E., Pizzagalli, D.A. (in press). Disentangling vulnerability, state and trait features of neurocognitive impairments in depression: Bayesian cross-sectional analysis of 9–10 year-old children in the Adolescent Brain Cognitive Development Study. *Brain*.

WORK EXPERIENCE:

AMHERST COLLEGE PSYCHOLOGY DEPARTMENT ♦ Amherst, MA

Sept 2018 – Dec 2019

Research Assistant

- Conducted a cognitive psychology research study from start to finish: contributed to study design, recruited participants, collected data through guiding participants through experiment
- Shared findings to various audiences: presented initial research findings at the Vision Sciences Society Conference 2019, and contributed to publication of a paper summarizing our research in *Journal of Experimental Psychology: General*

MCLEAN HOSPITAL ♦ Belmont, MA

June 2019 – July 2019

Data Science Intern

- Independently wrangled and cleaned an NIMH dataset pertaining to adolescent mental health in R, enabling the head researcher to run analyses. The results of our research have been published in *Brain*

MCLEAN HOSPITAL ♦ Belmont, MA

June 2018 – Aug 2018

Research Intern

- Facilitated subject participation in study on depression in young adults through acquiring participants' consent, which involved clearly explaining the study to participants and engaging with them in a knowledgeable, amiable, and respectful manner

OFFICE OF ADMISSION ♦ Amherst College

Jan 2018 – Sept 2018

Tour Guide

- Represented Amherst College through leading engaging tours of campus. Utilized confident public speaking skills and friendly, welcoming demeanor

EXTRACURRICULAR ACTIVITIES:

ACTIVE MINDS ♦ Amherst College

Sept 2017 - Dec 2018

Co-Chair

- Created a multimedia exhibit in a central area on campus that showcased 15 students' experiences with mental health. Sparked a campus conversation about mental health in an effort to break down stigma

WOMEN'S LACROSSE ♦ Amherst College

Sept 2016 - May 2018

Team Member

- Participated on a collegiate varsity sports team, engaging in a rigorous 6 day/week schedule
